Standard Ticket - 200mm by 74mm

BLEED AREA - Anything here will be trimmed off, but remember to extend any colouring or images into this 3mm bleed area to avoid white lines appearing after trimming.

TRIM - Avoid any text in these areas for safety as the black border is where the ticket is cut. Anything outside this will be trimmed off.

SAFE - This is all safe, please make sure all text and information is in these areas and please use 300DPI images for best results.

PERFORATION - This is where the ticket will be perforated.
